PROFILE

I am a creative and results-driven Graphic Designer, Digital Creator, and Web Developer with a strong passion for visual storytelling and innovative design. I specialize in creating visually compelling graphics, engaging digital content, and functional, user-friendly websites. With a keen eye for detail and creativity, I transform ideas into impactful designs that elevate brands and digital experiences.

WORK EXPERIENCE

Graphic Designer
2024-Present

Ph Haiyan Incorporated
I design visually compelling graphics that clearly communicate ideas, with expertise in branding, digital design, and visual storytelling to strengthen brand identity and boost audience engagement.

Visual Graphic Designer
2020-2023

FreeLancing & Personal Editor
Crafting visually compelling designs that communicate ideas effectively. Skilled in branding, digital graphics, and visual storytelling, I create impactful visuals that enhance brand identity and audience engagement.

Video Editor
2020-2025

Specializing in producing high-quality, engaging, and visually compelling videos. Skilled in editing, color grading, transitions, and storytelling, I transform raw footage into impactful content that captures attention and delivers powerful messages.
